

**Professor David W Holt – 40 years of Drug Use and Abuse  
16th – 17th April 2010**

Dear Members,

The Analytical Unit, St George's University of London, is pleased to be hosting a joint two day symposium with the London Toxicology Group. This symposium, in honour of Professor David W Holt, reflects his 40 year career path researching drug use and abuse, and includes many well known national and international speakers. We invite you to attend this prestigious event that we hope will prove to be as successful as Davids career!

Please find attached a registration form with full symposium programme or alternatively visit our website to download the form, and for further details on hotels and transportation. We hope to attract a large number of delegates so book now to avoid missing out on the limited places and early-bird prices.

Yours sincerely

Organising Committee:

Prof Atholl Johnston, Susannah Davies, Jenny Button and Denise McKeown.
